(±)- α -Tocopheryl 2,3,5-triiodobenzoate

Description: The synthesis of this compound is described in Vandamme, Thierry; et al. Biomaterials 34 (2013) 481-491). The compound is a very thick oil with a yield of 98% and a purity of 99+ % (HPLC).

Molecular weight: 918.5

HPLC Result: 99.9 % (HPLC, $\lambda = 215$ nm)

Expiration Date: 2 years from manufacture date
